SEAL ANNUAL REPORT 2020

Dear friends and supporters,

In 2020, Lebanon has faced a series of tragedies that no one country- or one people- should endure in a lifetime. While in the throes of the worst economic collapse in its history and a devastating worldwide COVID 19 pandemic, an explosion rocked Beirut on August 4th, shattering hundreds of lives, destroying thousands of homes, and threatening any hope for a stable and secure Lebanon.

In response to this catastrophe, SEAL and LIFE, joined by LebNet, Jamhour Alumni and US based NGO Kuwait-America Foundation formed the Beirut Emergency Fund 2020 (BEF). This unified humanitarian relief fund was established to address the most immediate needs and pressing challenges, with a hyper-targeted focus on Hospitals, Medical and Mental Health Support, Rehabilitation, and Reconstruction.

The Beirut Emergency Fund officially closed on December 31, 2020. Funds received have been mostly allocated and are being disbursed. We've come a long way since the August 4th explosion in Beirut, but much more is needed.

Thanks to all of you, our generous donors, we have witnessed an incredible outpouring of support. Hundreds of Individuals, corporations, foundations and friends of SEAL have responded to the call for help, providing us with the resources needed to deliver relief efforts.

SEAL will continue its mission to help build a better future for Lebanon in 2021 and beyond

We are incredibly grateful to all of you.
