SEAL ANNUAL REPORT 2021

Dear Friends and Supporters,

2021 was another deeply challenging year for Lebanon. However, with your help we were able to rebuild hospitals and homes, bring small businesses back to life, provide food to the needy, and support underserved Lebanese communities in a multitude of ways.

In addition, given the acute electricity shortage and skyrocketing oil prices, we also focused on solar energy as a clean, efficient, and readily available source of energy to help keep the many SEAL-funded farmers and coops in agribusiness and dairy products open for business.

SEAL could not have accomplished all of this without your boundless generosity and unwavering support.

We appreciate your trust in us and we are grateful for your continued support.

Sincerely,

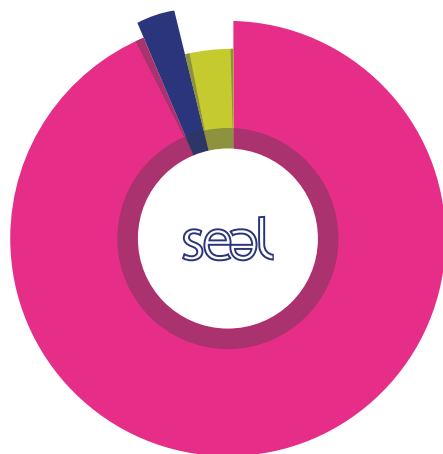

The SEAL Team
