SEAL ANNUAL REPORT 2022

Dear Friends and Supporters,

As you know, Lebanon continues to face a severe economic and financial crisis, impacting countless lives across the nation. In times like these, it's crucial to focus on sustainable initiatives, particularly those that support underserved Lebanese communities.

Throughout 2022, SEAL has remained dedicated to its mission of aiding small-scale Lebanese farmers and rural cooperatives. Our efforts have centered on providing solar energy solutions, encouraging land cultivation, promoting specialty food production, fostering job creation, and facilitating import substitution.

We would like to express our deepest gratitude for your ongoing support.

Your commitment has been instrumental in helping us achieve our goals, and we look forward to continuing our partnership as we work through these challenging times together.

With heartfelt thanks,

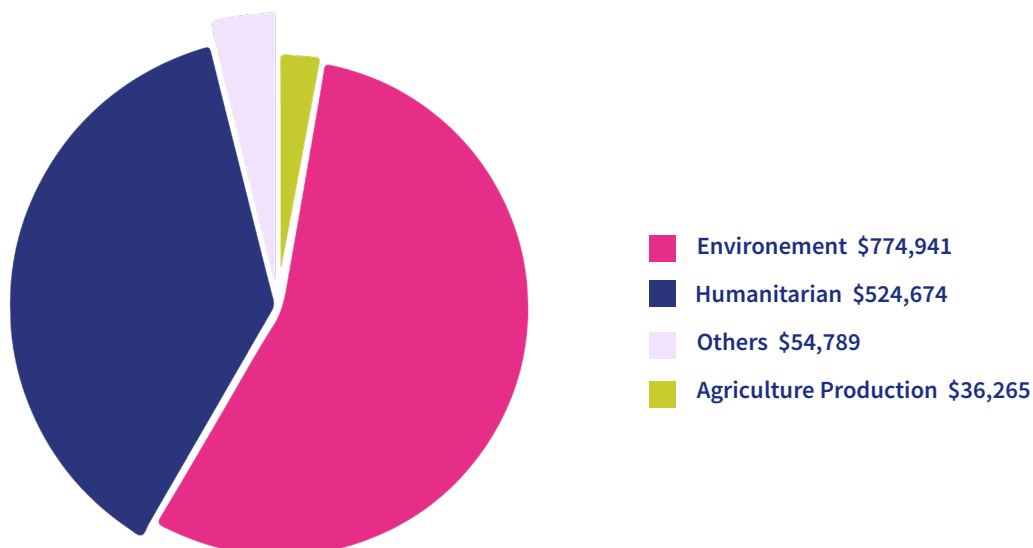

The SEAL Team
