SOCIAL AND ECONOMIC ACTION FOR LEBANON
SOCIAL AND ECONOMIC ACTION FOR LEBANON
SEAL was founded in 1997 by a group of Lebanese-Americans interested in taking action against the severe social and economic problems facing post-war Lebanon.
• SEAL invests in people, irrespective of their background, religion or political affiliation.

• SEAL combines philanthropy with economic development to help under-privileged, capable individuals in Lebanon become financially self-sufficient.

• SEAL has funded 50 projects since inception and raised over $800,000 since 2006.

Your financial contributions make a significant impact on entire communities.

SEAL-funded projects for 2008 include:
Fertilizer Distribution in Yanouh, Jbeil

In Partnership with the Mayors of Hdayni, Ain Kouna and Hay el Boustan

Sharp increase in fertilizer prices resulted in lower usage, which in turn caused notable decrease in production and associated revenues.

SEAL funded:
- Distribution of over 22,000kg of compost to 200+ farmers
Computer and English Classes across Lebanon

In Partnership with Assabil

With SEAL’s financial support, Assabil organized:

- English and computer literacy classes at over 15 public libraries throughout Lebanon
Pastry-Making Machines for Mentally-Disabled Individuals in Ghadir, Keserwan

In Partnership with Al-Younbouh

Al-Younbouh teaches different professions to mentally-disabled young adults, to help them achieve economic self-sufficiency.

SEAL funded the purchase of:

- a planetary mixer
- a cutter for the pastry workshop
Business Training in Beirut

In Partnership with INJAZ Lebanon

Sponsorship of annual business forum focusing on:

- cooperation between the private sector, the educational sector and policy makers
Agricultural Coop for Women on National Park Territory in Fnaydek, North Lebanon

In Partnership with MADA

SEAL’s funding allowed 30 women to:

► produce “Qamareddine of khokh”
► conduct quality control
► package the goods
► sell them in supermarkets across Lebanon
Training in Rural Tourism for Women in Jbeil

In Partnership with Aldec

After identifying 20 villages in the Jbeil area suitable for a “tourism” route, and through SEAL funding, Aldec:

- selected 15 women-owned businesses
- trained 300+ women to provide professional services for tourists
**Land and People / Agricultural Work in South Lebanon**

*In Partnership with AUB*

**Farming**
- 10-15% production increase
- 40-60% reduction in fertilization costs
- 10% reduction in use of fertilizers through use of banana leaves
- Integration of new and profitable crops (such as thyme)

**Soap Production**
- Enhancement of quality and appearance of final product
- Marketing of goods to local markets

**Workshops**
- Analysis of water and soil
- Distribution of seeds, trees and hens
Irrigation Canal in Syre, Denniyeh, North Lebanon

In Partnership with the Farmers of Jord Mrebben

Built over 2 km of pipes to bring the water of the Ras-el-Nahr spring to over 1,000 individuals:

- land is now properly irrigated
- significant water was saved
- there was a sharp production increase
Excavation of Water Well in Aynata, in the Bekaa Valley

In Partnership with Farmers of Aynata

Aynata area was not cultivated due to lack of irrigation. With water found at a depth of 70 meters and the building of the well:

- many fields will be planted this November
- many families will benefit from steady income
Organic Chicken Farm in Bnabil, Metn

In Partnership with St. Michael’s Monastery

The Monastery owns 600,000 sq. meters of land in Bnabil that it is looking to develop from an economic and social standpoint.

SEAL contributed to developing an organic chicken farm, thereby:

- creating 30 jobs
100% of your contributions are used to sponsor SEAL projects.

Thank you for continuing to support our efforts.
